

Make Every Moment Count!®

GETTING STARTED WITH YOUR NEXT STEPS™ SYSTEM DRY ERASE CARDS

Dry Erase Activity Cards compatible with the Next Steps™ System are included with a number of Time Timer® products or as an accessory

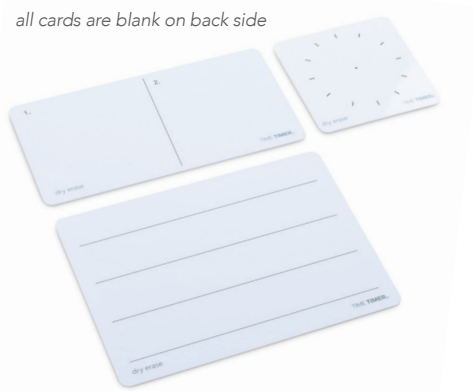

The Next Steps™ System is a complete solution designed to meet the needs of Time Timer® users across various activities. At its core is the patented card holder slot, built directly into select Time Timer® visual timers. Paired with our array of Dry Erase Activity Cards available in multiple sizes, or the users own Picto or PEC Cards, the system makes it simple to support first/then activities, time-to-task management, and visual reinforcement strategies across settings.

The following products include the patented Next Steps™ card holder:

- Time Timer® Original products
- Time Timer® RETRO
- Time Timer® BRAILLE
